- CANINE SQUAD

flexible security solutions for your business needs

SECURITY GUARDING SERVICES

We provide professionally trained Security Guards, Lady Guards, Supervisors, Inspectors, Assignment Managers and Armed Guards, to suit your varied range of security requirements. We provide armed and unarmed licensed security officers for all types of venues including:

- IT Companies
- Corporate MNC's
- Manufacturing Houses
- Chemical and Petroleum Industries
- Hotels and Hospitality
- SEZ's and IT Parks, etc

CORPORATE SECURITY SERVICES

With many years' experience in delivering security to corporate clients, D1 Fortification has a wealth of knowledge to provide a variety of solutions for your business. Our trained and accredited security officers are committed to providing you with the best possible customer service

SECURITY ESCORT SOLUTIONS

We offer trained passenger escorts to pick up and drop employees 24/7 from and to their residences. Our escorts are trained in protection techniques, inside a running vehicle, to ensure the safety of women employees travelling during the wee hours.

Our escort service provides a licensed Officer to accompany a member of your staff when locking up / leaving the premises late at night.

EXECUTIVE PROTECTION SERVICES

We conduct risk assessment of high net-worth individuals and provide comprehensive physical security services designed to meet the threat to personnel working in hostile environments. We provide highly experienced and professionally trained close protection officers, both armed and un-armed, to protect VIP clients.

BACKGROUND VERIFICATION SERVICES

Our comprehensive individual and corporate background checks provide the management with fast, detailed reports on any company or individual whether your concern relates to work history, credit history, criminal investigations, open litigation, past non-compliance or non-disclosure violations, or shoddy business practices services.

CANINE SQUAD

D1 Fortification has a specialist dog unit, where all dogs are fully trained to the highest standard. We are able to supply Security Guard Dog Service throughout in all situation, even to assist your existing team of security guards, or as a standalone entity.
